Teoretiskt enkelt

- Hänga ut kollektorer/rep
- Settling
- Tillväxt
- Skörd

Teoretiskt enkelt

Odlingsystem - översikt

Bottenodling

”Off-bottom”

Flotte

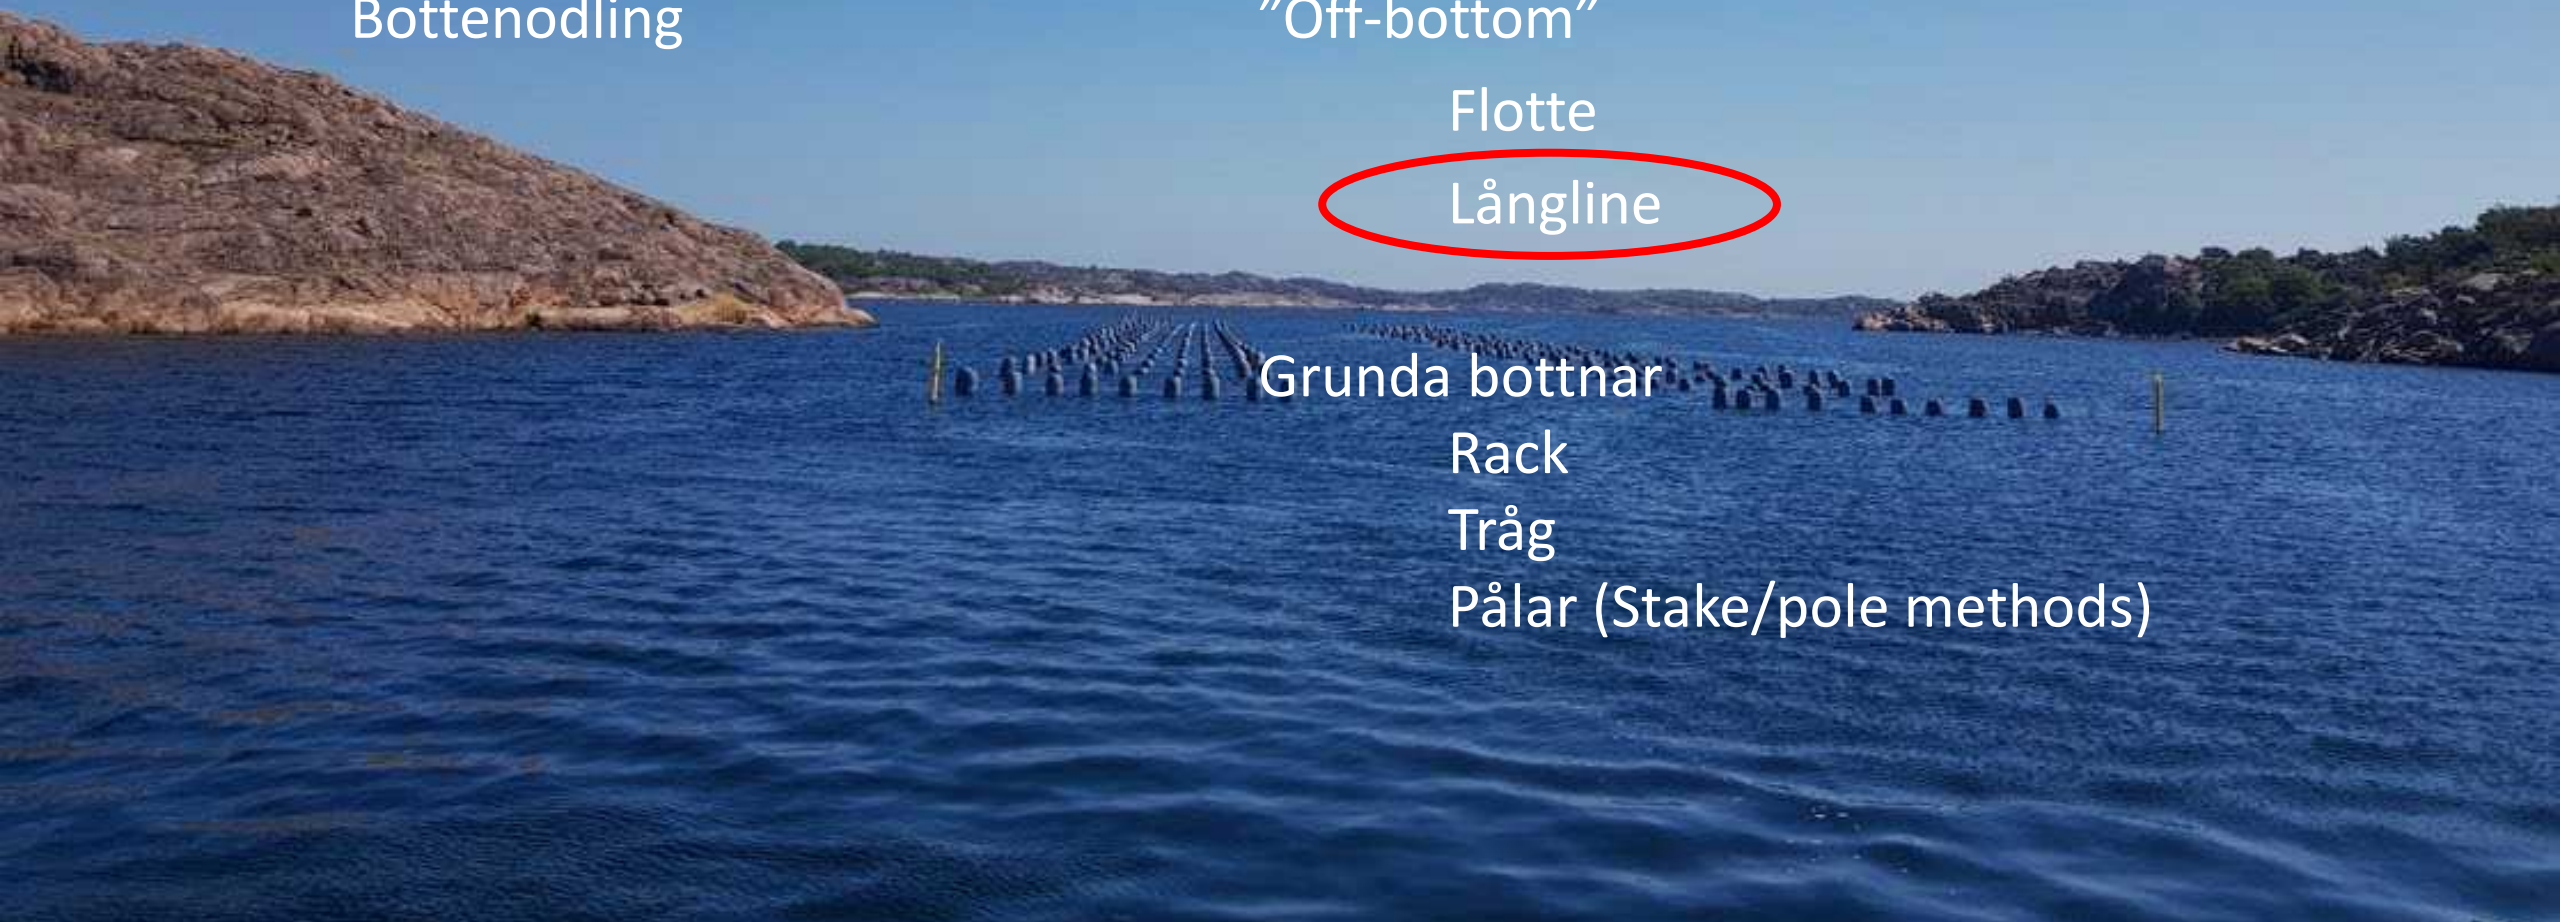

Långline

Grunda bottnar

Rack

Tråg

Pålar (Stake/pole methods)

Bottenodling

- Vitt utbrett i områden med stora "platta" grundområden
- Kräver tidvatten.
- Naturlig förekommande larver eller "sådd"

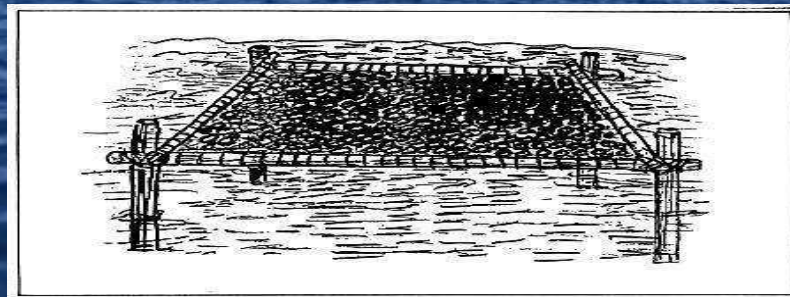

Grunda bottnar

Rack

Trågoding

Grunda bottnar

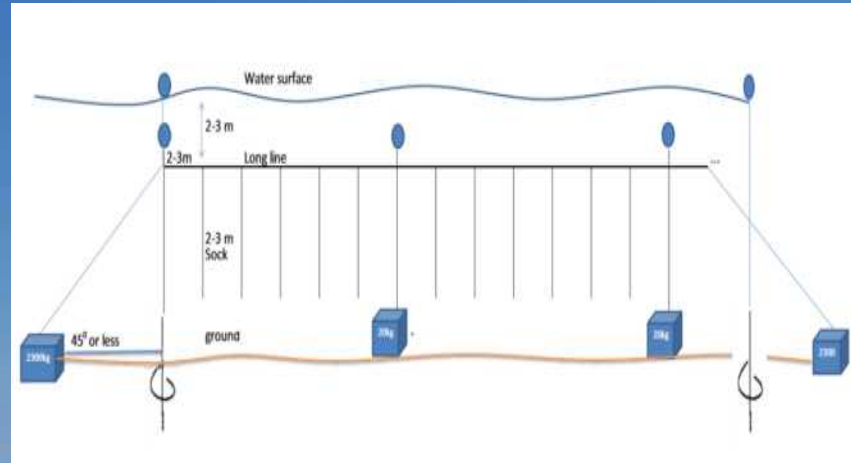

Pålar

”Stake culture”

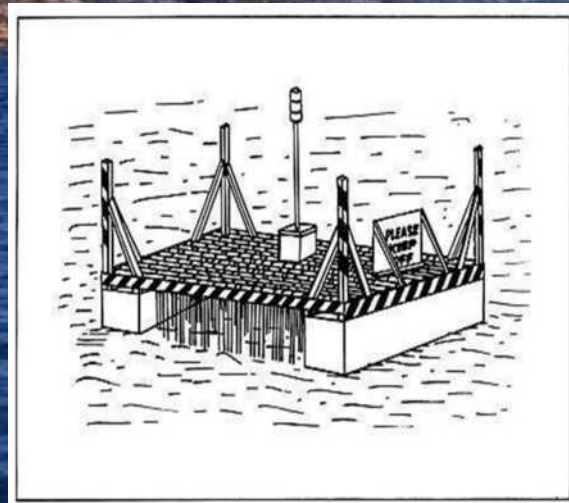

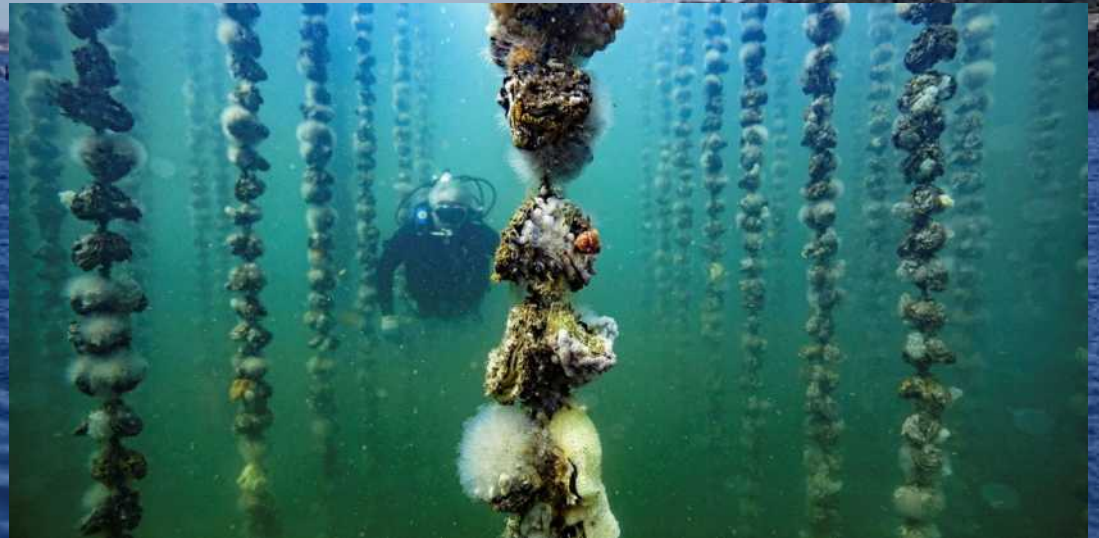

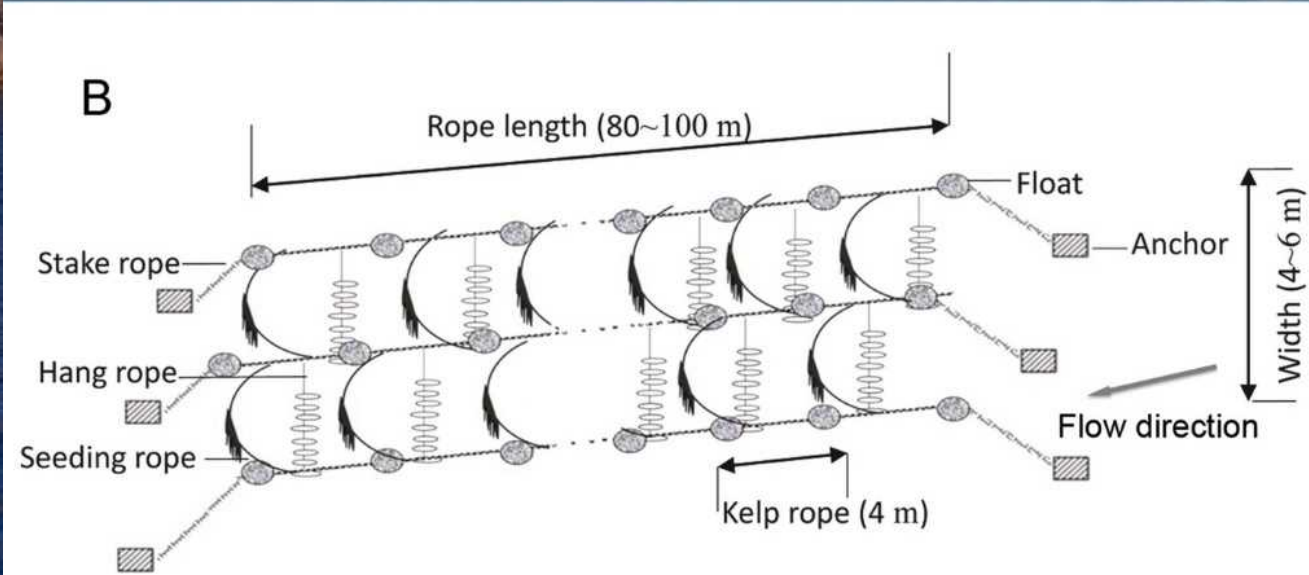

"Off-bottom"

Långline

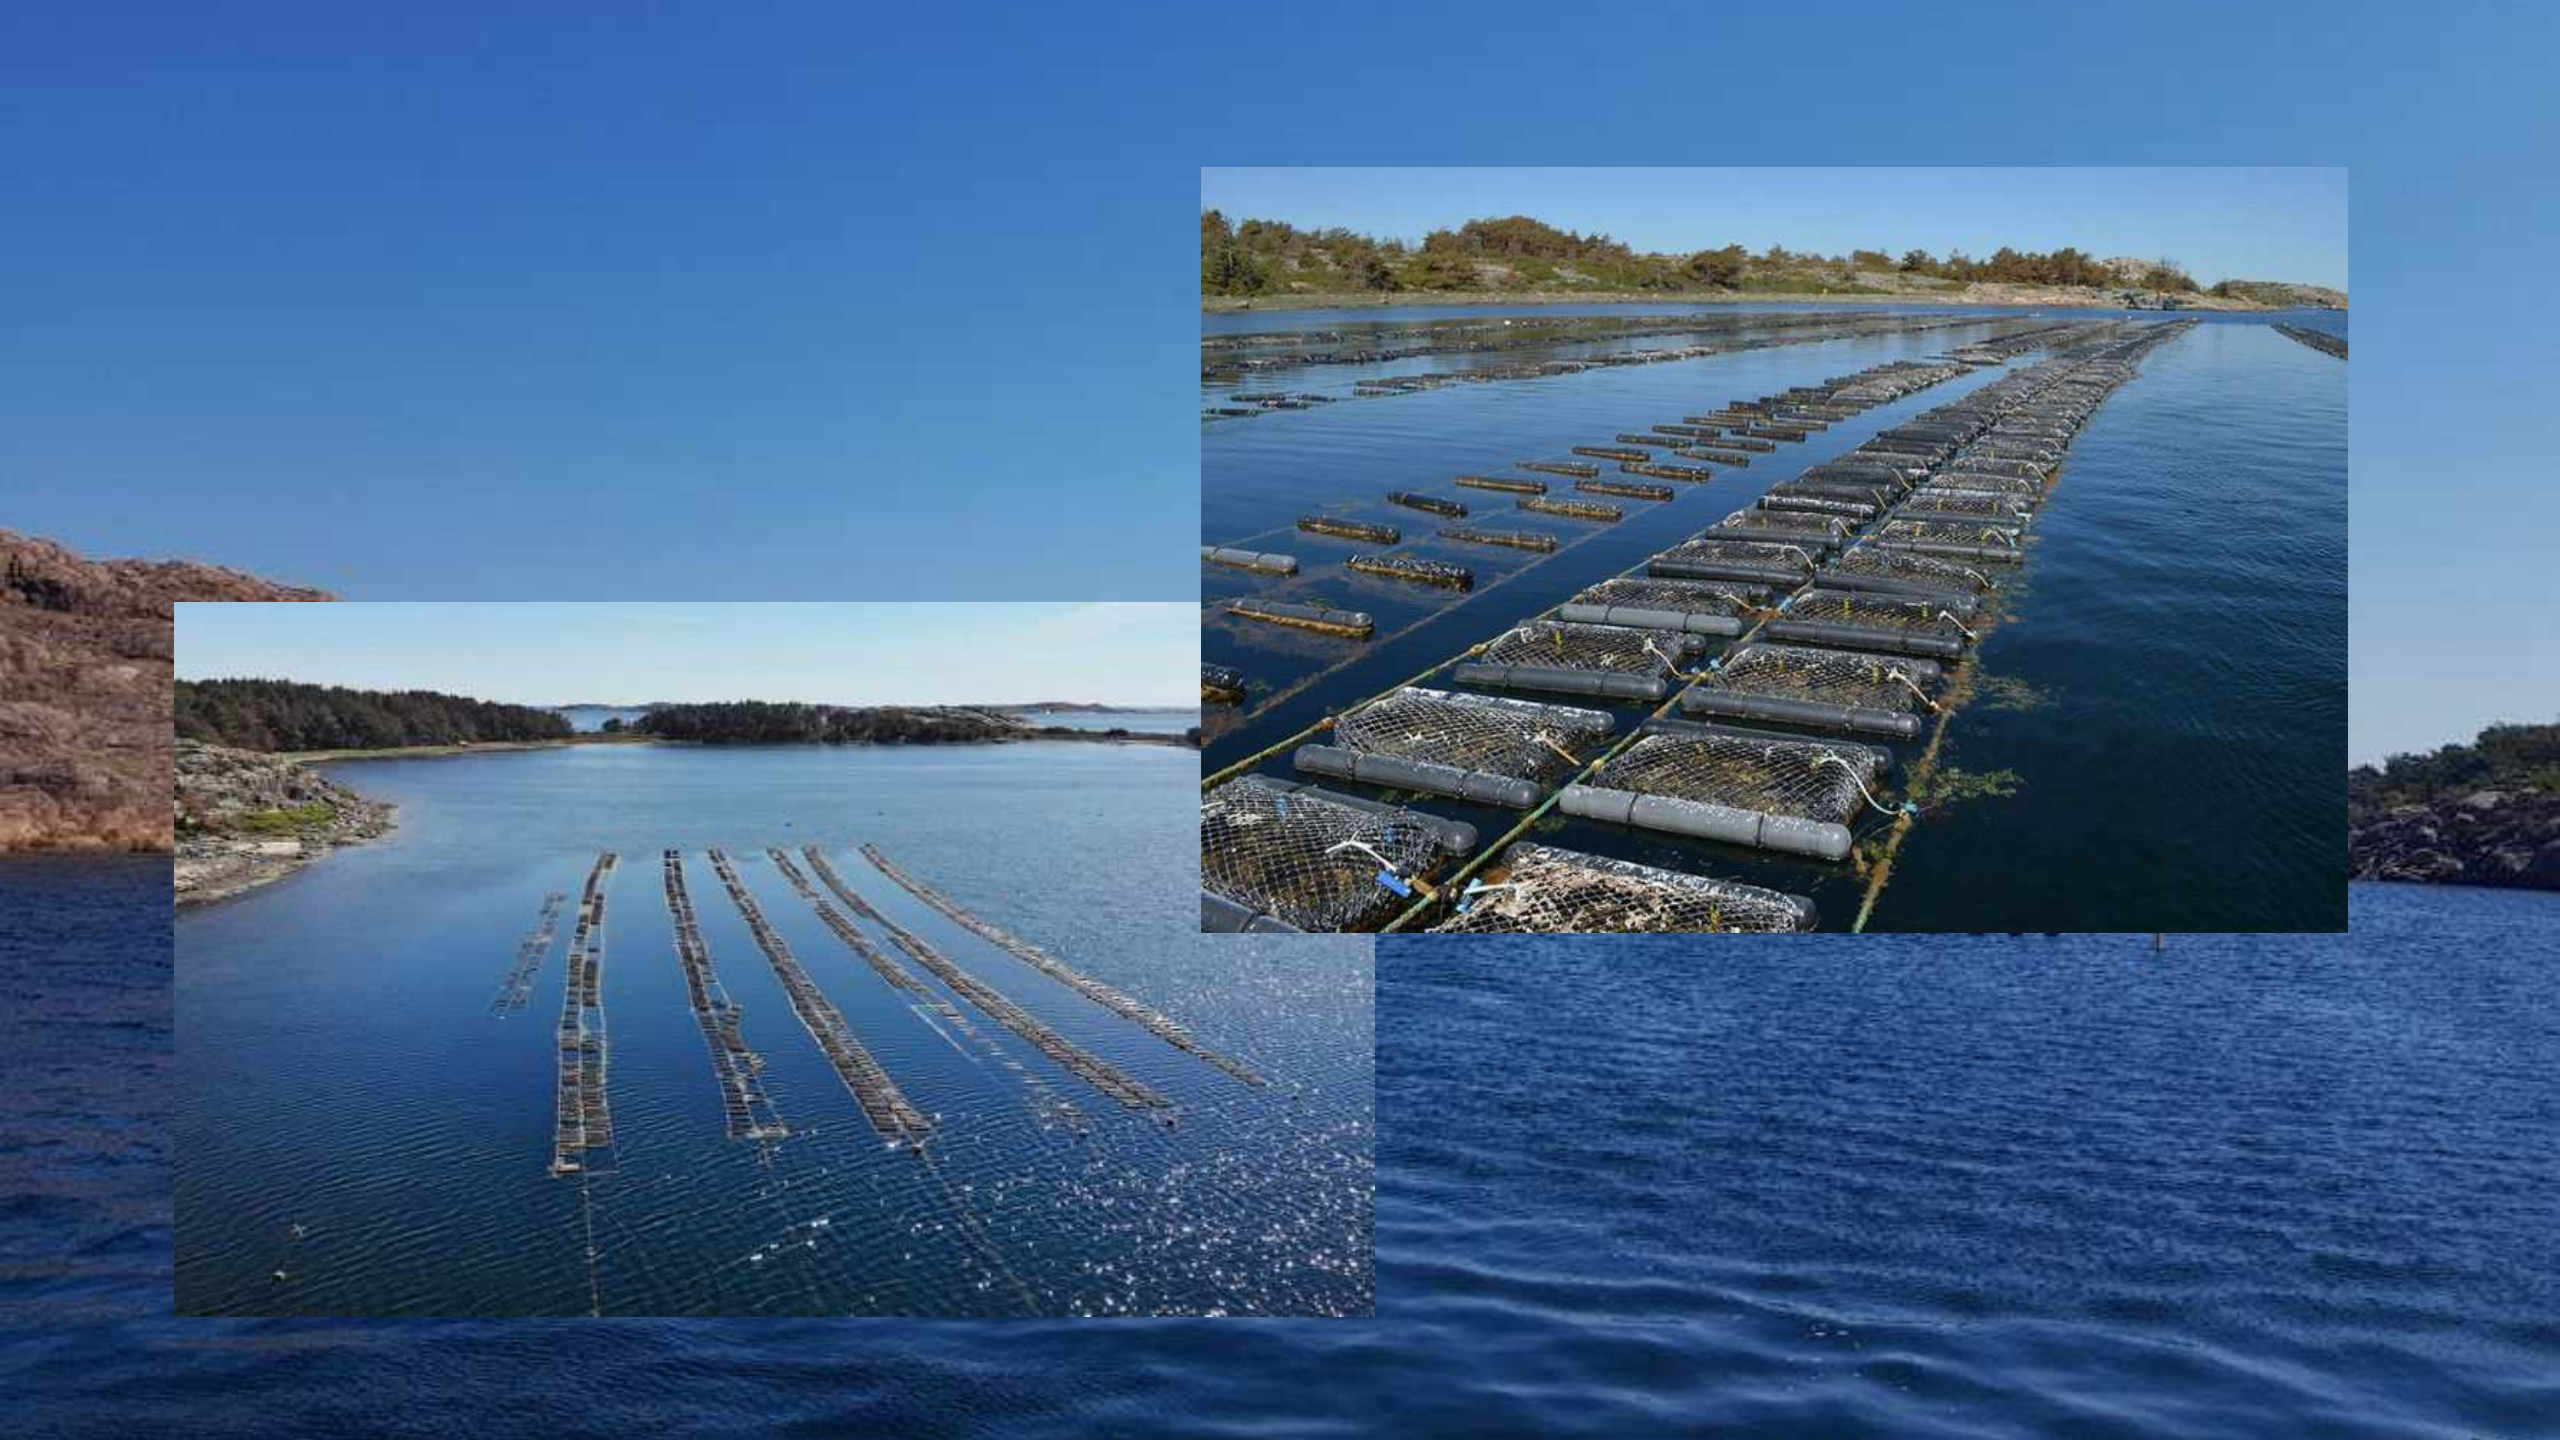

Flotte

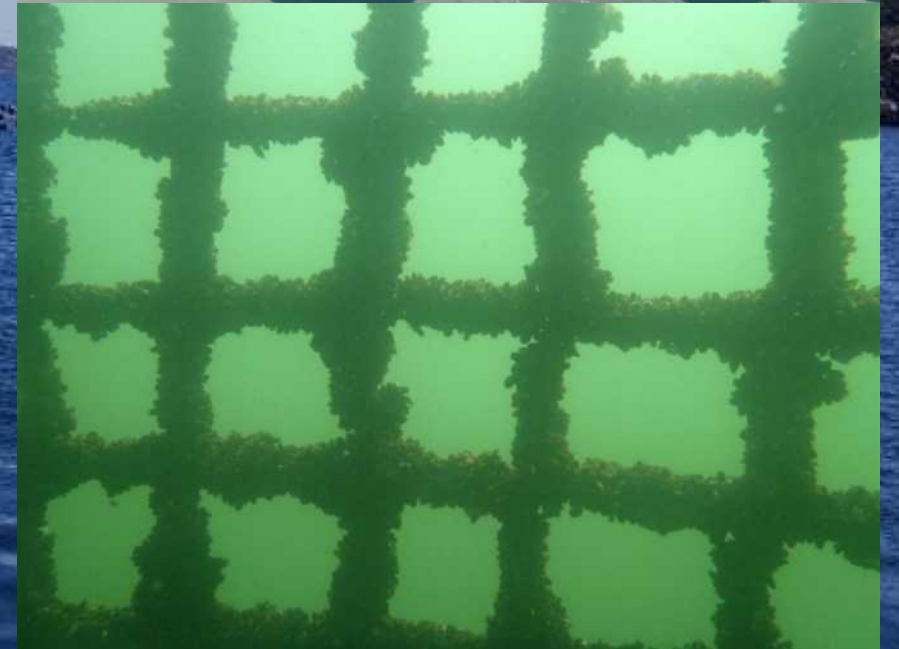

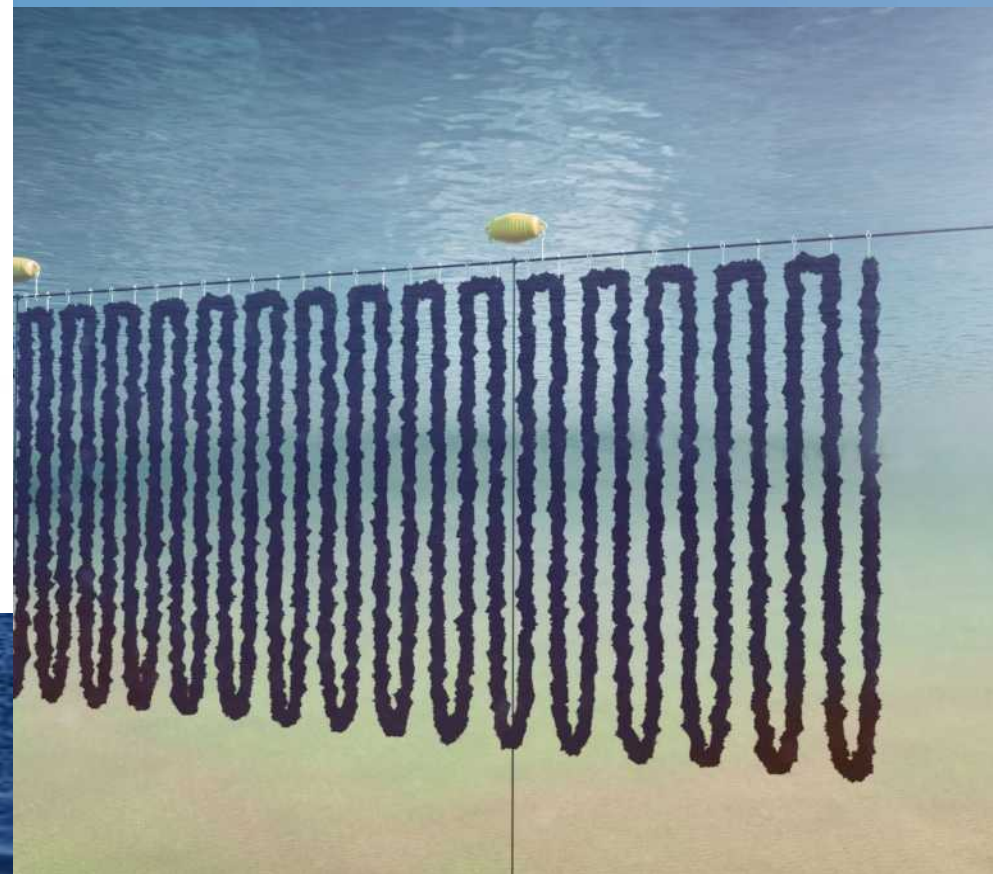

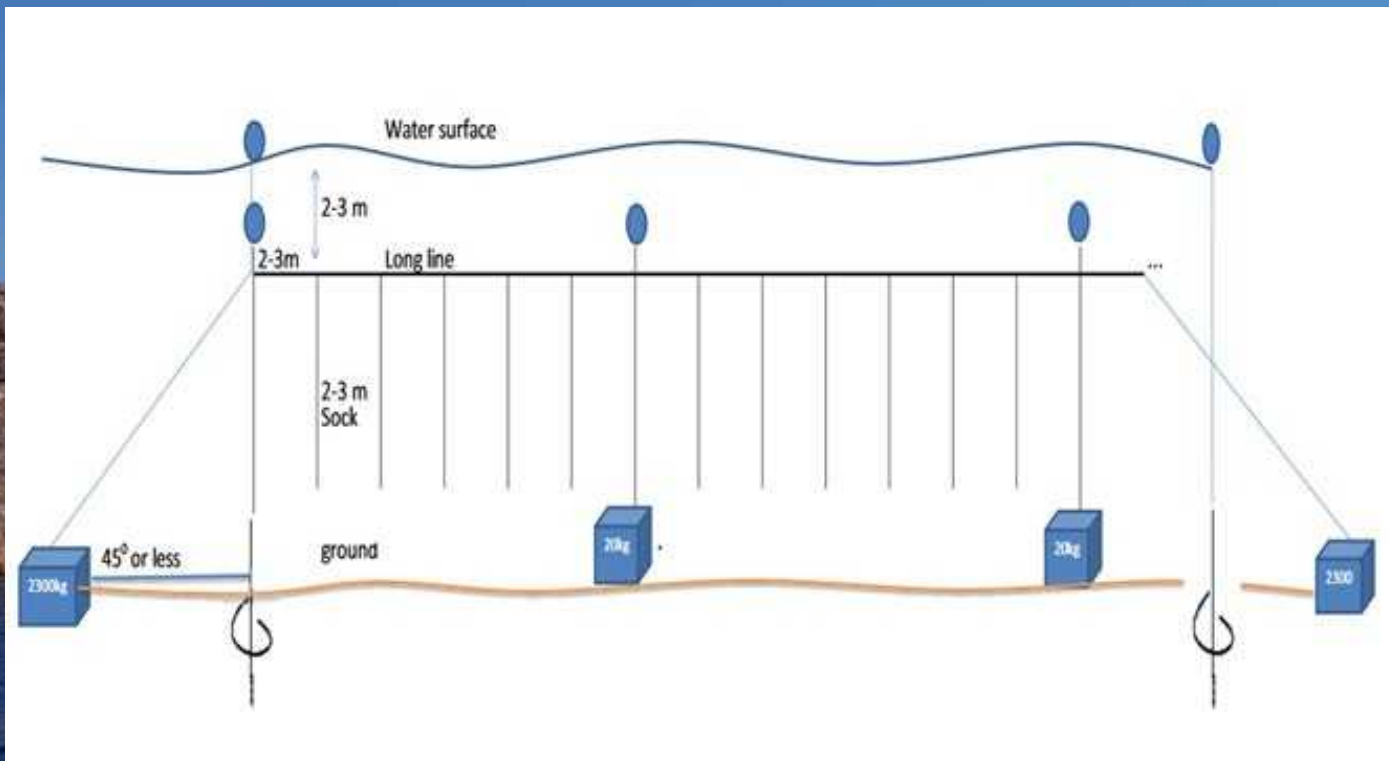

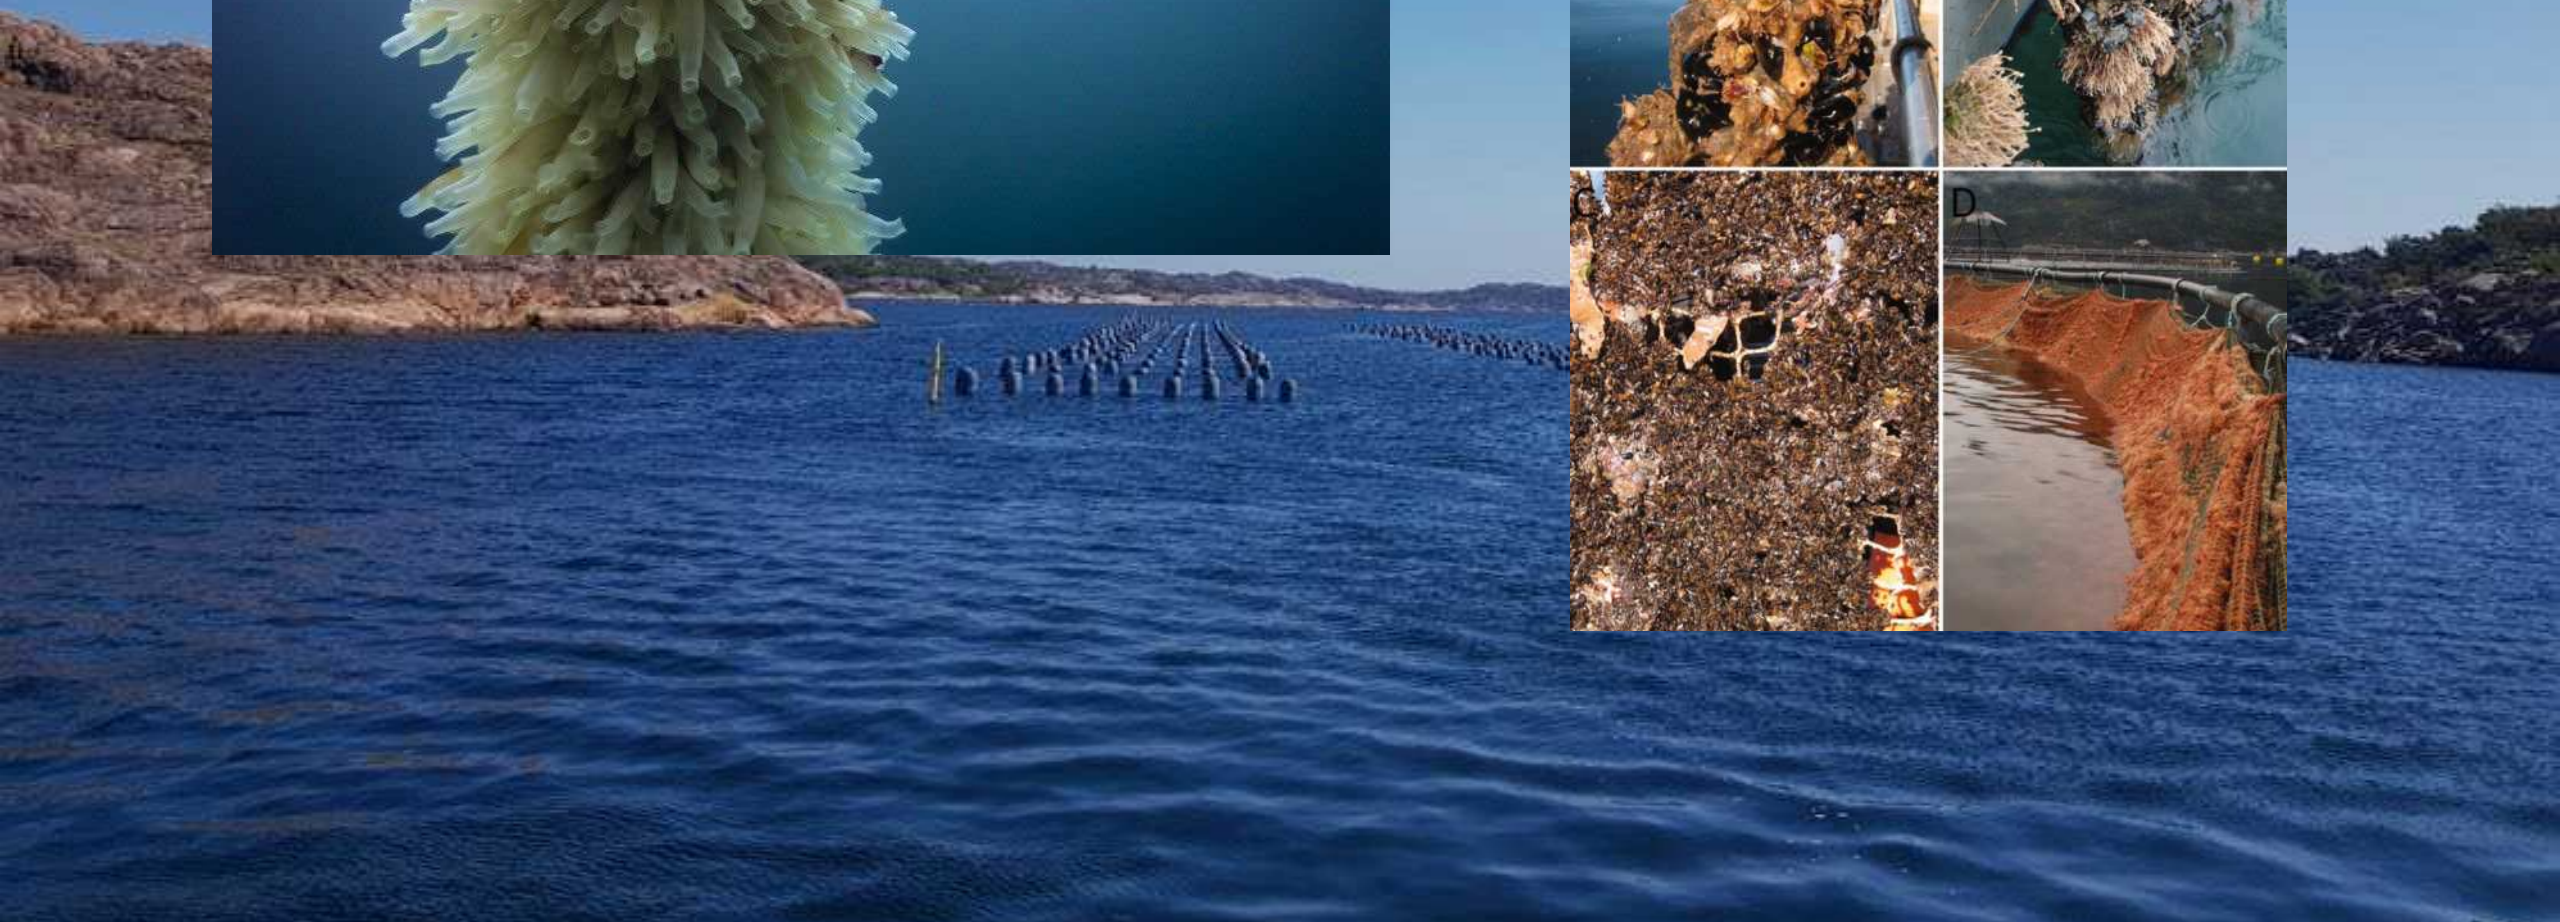

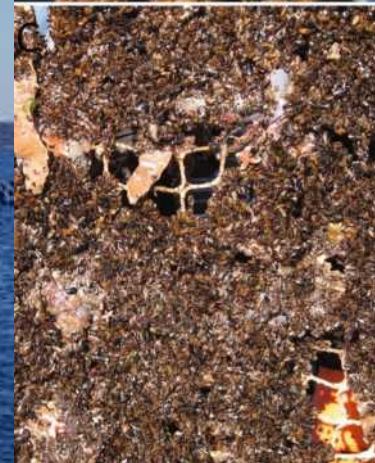

Smartfarm en variant av långline

”Långlineodling”
